

**AGREEMENT FOR CERTIFICATION  
EROSION CONTROL PLAN**

Applicant: \_\_\_\_\_

Owner/developer of property located at \_\_\_\_\_

- I/We have notified Highland County Water & Soil Conservation to inspect said property for Erosion and Sediment Control.  
(937) 393-1922 ext. 3 Dave Perry
- I/We certify that the project is in compliance with all State, Local, and Federal Laws and that we will stay in conformance of the approved plans
- I/We certify that the existing and planned project infrastructure will accommodate 10 year precipitation design amounts.
- I/We will notify the Safety Service Director, 48 hours prior to digging, and complete the job within the fixed time period.  
(937) 393-5219 Ralph Holt
- I/We will notify the Safety Service Director when the job is completed so that the property may be inspected and released.

**DISCLAIMER:**

I/We certify that the environmental impact of the project will not injure adjacent properties and that we (owner, developer, or its successor) will be held legally responsible to any damage it may cause, releasing the City of Hillsboro of any legal responsibility.
