V23-02 – 1495 North High Street – sizing of signage

DISCUSSION: Hobart Plant Manager Ryan Bowman shared history of signage at Hobart. ASI Representative Ray Siegel shared Hobart needing larger signage for larger vehicles and safety concerns. Larger vehicles often times end up in the wrong location and signage will help get the vehicles in the correct location. Planning Commission Chair Bill Sims noted being sympathetic to the variance as safety is important and clear signage is key to safety. Planning Commission member Rob Holt asked if signs were double sided, being answered “yes” by Ray Siegel with ASI. Questions were asked on how far the signs would be from the Right of Way. Mr. Siegel advised it would be 10’ from the Right of Way. Member Paul Worley liked the improvements Hobart has made in recent years.

MOTION: Amy Davis moved to approve V23-02, seconded by Rob Holt. Vote: Paul Worley-yes, Rob Holt-yes, Justin Harsha-yes, Amy Davis-yes, Bill Sims-yes. V23-02 approved.
