Dear Hillsboro Resident:

Re: Requirements of the Earnings Tax and Annual Tax Filing

The City of Hillsboro levies a one and a half percent (1.5%) earnings tax on all earned income. Filing of an annual City of Hillsboro income tax return is required by everyone who lives in Hillsboro, regardless of your income; whether or not any tax is due. This requirement applies to both renter and home owners. If you are retired or are on disability, please provide a copy of your award letter. Please note that Retirement and Disability are not taxable to the City of Hillsboro, however, we are requesting these as a record for residents receiving these benefits.

Although unemployment is not taxable to the City of Hillsboro, residents will need to file a return by the due date.

The returns are due on April 15 of the subsequent year, unless Emancipation Day holiday falls on that date. The 2023 tax returns are due April 15th, 2024. If you anticipate that you will owe tax, you may make an estimate and make quarterly payments. Forms, extension requests, and other information regarding the Tax Ordinance are available upon request or at the web-site www.hillsboroohio.net.

Proper administration of the tax ordinance depends on the accuracy of our records; therefore, we appreciate your prompt completion and return of the enclosed Resident questionnaire. Completion of this questionnaire is necessary; however, the questionnaire is not the annual tax filing.

The City of Hillsboro is pleased that you have chosen to reside here and we, in the Tax Department want to do everything necessary to help you comply with the Tax Ordinance. If you require assistance with the completion of this questionnaire, with the preparation of your Hillsboro tax forms, or if you have any questions, please contact us at the number listed below.
