

IMAGINE HILLSBORO - COMPREHENSIVE PLAN 2018

GOALS DRAFT 1 – DECEMBER 10, 2018

INSTRUCTIONS:

Please review the draft goals and provide comments, add any goals you feel may be missing. Then rank all the goals from 1-8 with 1 being the most important. If you do not think a goal is important enough to be included in the plan, please leave it blank. We will discuss on Monday and you will have another chance to rank the goals after the discussion.

Please think about the things the city could be doing to accomplish these goals. We will discuss initial ideas as a group next Monday.

Draft Goals

These goals are offered as a starting point based on the information collected to date including the input from the public in the survey. The proposed goals are intentionally broad. Once the goals are established, they will be expanded through the identification of measurable and more detailed objectives which we will discuss at the meeting on December 17, 2018.

Topical/thematic statements about what the community aspires to achieve throughout this process and in its future planning efforts.
