Application for Employment

TO APPLICANT: We deeply appreciate your interest in the City of Hillsboro. Thank you for taking the time to complete this application.

"This institution is an equal opportunity provider and employer." The Civil Rights Act of 1964 prohibits discrimination in employment because of race, color, religion, sex or national origin. Federal law also prohibits other types of discrimination such as age, citizenship, disability, veteran status, attainment of benefits, and participation in union activities. The laws of most states and many localities also prohibit some or all of the above types of discrimination as well as some additional types including, but not limited to, discrimination based upon ancestry, marital status, sexual orientation, or source of income. The Fair Credit Reporting Act imposes restrictions with respect to information obtained from a consumer reporting agency, including but not limited to information regarding credit data, personal character, general reputation and mode of living. This list, however, is not exhaustive of the grounds on which discrimination is prohibited.

PRE-EMPLOYMENT TESTING

PRE-EMPLOYMENT POLYGRAPH INTERVIEW

As an applicant for employment with a law enforcement agency, you are required to complete this PPERSONAL HISTORY STATEMENT. There is no time limit for this activity. You will be here for about two (2) hours. If you are pressed for time and feel you cannot complete this questionnaire within that time frame, please let me know and I will reschedule your appointment to a later date and time.

During your polygraph examination, you will be asked whether or not you have intentionally lied to questions in your personal History Statement or intentionally omitted information in this statement. We are not expecting you to be perfect. We are expecting you to be truthful.

It is in you best interest to cooperate completely with the polygraph examiner. The examiner will explain the polygraph process to you in detail. If you do not understand any part of the polygraph process or any of the questions reviewed with you, you must ask the examiner questions on the test which have not been reviewed with you. You will have the opportunity to modify any questions which you feel do not fit your particular circumstance. During the actual test, you will not be asked any trick or unreviewed questions.

No one "passes" or "fails" a pre-employment polygraph interview. I report to the requesting agency your statements and opinion of your truthfulness. I will not make any employment recommendations to the requesting agency. That decision rests only with the requesting agency.

My object is to get you through your polygraph interview. With your help and cooperation, together, we can accomplish that objective.
